

**MigApp**  
connecting migrants

All the information for  
migrants on your phone

We connect migrants with safe, necessary and reliable information.

MigApp fits your needs, it is free and can work without an Internet connection.

Before migrating, MigApp offers you information about:

Migratory requirements

Consulates and embassies

Health services

Migration tips

Emergency alerts

News

Set language (Spanish, French and English)

Share the location

Safeguard your documents

Emergency contacts

Medical translator

Compare remittance rates

MigApp protects the data and the confidentiality of people.

Each person chooses whether to activate the GPS and individual data are not used or shared.

Allows you to select the country of interest.

Maintaining updated and useful information is our priority. If you find outdated data on the app, or you would like to see any other services listed, write to us at:

[migapp@iom.int](mailto:migapp@iom.int)

MigApp is the International Organization for Migration's (IOM) global app that provides information about regular, dignified and safe migration for the protection of migrants. MigApp offers reliable data and contacts to make informed decisions.
